The kitchen has been updated with stainless steel appliances and granite countertops. Enjoy your private backyard oasis in the large heated and cooled (newly tiled) sunroom! Warm up in the hot tub during these cooler months and cool off in the in-ground pool during the heat of the summer. This home has been meticulously maintained. Recent maintenance includes a new hot water heater, roof (2013), pool liner and filter system (2014), freshly painted interior, exterior trim painted, trees trimmed, landscaping and much more!
