Professional pictures have been loaded soon to better show the special features of this beautiful marsh view home. 1021 East Recess features over 1700 square feet, large family room, spacious kitchen, 3 bedrooms, 2 full baths, spacious covered porch etc.

Located in Hanahan's Berkeley Hill III subdivision, where very few homes come on the market to be sold.

As you drive up to 1021 you are going to be impressed with the size of the yard, the curb appeal of this low maintenance brick veneer home, with fairly new architectural shingles, etc.

The covered back porch is just so relaxing to sit and enjoy the peace and quiet of the marsh view. Believe this space makes for some great family/friend memories while sitting on porch enjoying dinner and entertaining.
