After a day of boating or enjoying the beach, soak in the inground pool surrounded by lush landscaping and have a cocktail by the covered outdoor kitchen/bar area. Afterwards, enjoy relaxing with friends on the large screened porch with vaulted ceiling while grilling on the deck. The inside is just as great! The other three bedrooms are generous in size and one has its own private bath. Other great features include wood floors, tile baths, smooth ceilings, lots of built-ins, crown molding, skylights, and other unique features that enhance the character of this home. There is also plenty of storage underneath the home for your golf cart and surfboards, and a wooden fence for added privacy in back. And don't forget the added bonus of large savings on flood insurance due to this being one of the few elevated homes under 700k. Another bonus is the owner is willing to sell most of the furniture on a separate bill of sale so a buyer has the option of just moving right in and enjoying the home right away. Whether you are looking to call this you're permanent home, or a second home/investment property, it is hard to beat all this home has to offer. Just take a look and you will agree!
