3 Bedrooms ~ 2½ Bathrooms

BETTER THAN NEW!

Two-story 3 bedroom, 2.5 bath pristine, turn-key 1993 home that has been completely refurbished. The reason we say this home is "better than new" is because this home has all of the advantages of new homes construction without the barren landscaping and surrounding noisy construction. In contrast this home has lush, mature landscaping, a privacy-fenced backyard oasis complete with a fabulous hot tub (that conveys) and also has BRAND-NEW features including, but not limited to, 2016 architectural roof, new HVAC, brand new, amazing tile flooring, brand new carpet, fresh paint, new stainless steel kitchen appliances, new bathroom fixtures with beautiful brushed-nickel faucets and many, many more updates and improvements throughout this beautiful home.

The open floor plan of the chef's kitchen with sparkling granite countertops flows effortlessly into the family room complete with a roaring wood-burning fireplace. Massive storage is supplemented by an outbuilding in the back yard. Add to all this an ultra convenient location convenient to tons of shopping, dining and a 30-minute drive to the world-class sun-kissed beaches of the Isle of Palms and Sullivans Island as well as the same distance to historic downtown Charleston. Local school are award winning.

Yes, all of this can be yours for the BEST BARGAIN IN GOOSE CREEK!
