

Outstanding Opportunity on Daniel Island!

116 Etiwan Park Street

Charleston, SC 29492 - MLS# 16023594 - \$539,000

Lovely Lowcountry home nestled amid mature trees and located on a gracious tree-lined street, this home invites you to come and relax on the wide wrap-around porch with the soft breezes and enjoy the beauty of the island. Directly across from a beautiful seven acre park, this setting is a fitting introduction to a warm and welcoming interior. First impressions are important! Enter through the front door into the inviting foyer which opens into a bright open floor plan flowing seamlessly into the dining room and living room/ office. Attention to detail is evident in the crown molding, fresh paint, graceful arch, and hardwood floors which span the downstairs of this lovely floor plan.

And that's just for starters...there are so many more highlights!
