This amazing home has too many upgrades to list them all! The welcome arm staircase leads you into a well thought out home with much attention to detail. There is a large dining room, a family room with built in bookshelves & a gas fireplace. The kitchen has an oversized island, myriads of cabinets, silestone counter tops & stainless appliances. The spacious master has a large walk in closet with built in cabinetry & a lovely master bath. Upstairs boasts an office, two large bedrooms with walk in closets and in suite bathrooms and a small loft. This home is designed for outdoor living with four porchs, low maintenance landscaping, irrigation and outdoor lighting. The in ground salt water pool is a perfect finish to a perfect home!
