

Former Arkansas Governor Mike Huckabee Fair Tax and Real Estate

Hello Fellow Realtors!!

I would normally not do something like this but I wanted to make sure you have heard of Gov. Mike Huckabee and his campaign to become the next President of the United States. In the upcoming days you will be saturated with election information and I apologize for adding to that. I feel so strongly that Mike Huckabee needs to be our next President that I had to share with you his vision for revising the Tax code in our country. If you know about the FairTax Plan, you know that this tax plan offers significant benefits for Realtors. Imagine the buying and selling that could happen if there were **no more Capital Gains taxes to worry about!** Gov. Huckabee is the only GOP candidate that has come out in strong support of the FairTax. To find out more, please visit www.FairTax.org.

Gov. Huckabee is a true GOP conservative and is the best choice for our upcoming election. Over the next few days I will be sharing with you various issues that the Governor supports. I hope that you are willing to take a look at the Governor and maybe even cast a vote for him in the upcoming Ames Straw Poll. The Ames Straw Poll will determine the rest of the election so your help is needed to ensure candidates like Mike have a chance to continue. Thanks so much for your time, if you have any questions, please feel free to contact me at warren@SloaneTeamRealty.com. Visit my Blog at <http://SloaneRealty.blogspot.com> or better yet check out Huckabee's site at www.MikeHuckabee.com.

Sincerely ~ J. Warren Sloane
